

Senior Transportation Engineer or

Planner – Phoenix, AZ

Kittelison & Associates, Inc. (Kittelison) has an immediate opening for a senior-level transportation engineer in our Phoenix, AZ office. We are looking for a talented, energetic professional to support our on-going work and growth in the Phoenix area. You'll be working with an organization that promotes, supports, and rewards professional growth and success.

Since 1985, Kittelison has provided transportation engineering, planning, and research services to government agencies, municipalities, and private organizations around the U.S. and internationally. We develop thoughtful and creative transportation solutions that apply directly to real-world problems with the goal of improving the performance of all transportation systems. Our staff are outward focused - mentoring younger staff, providing educational opportunities for industry professionals, and finding ways to improve the value of our work.

Position Summary:

This person will take an active role in the Phoenix office and the Arizona Region. The successful candidate will have a strong desire to advance their professional career and help expand a transportation practice through local knowledge and experience as either a transportation engineer or transportation planner. Candidates should have solid interpersonal skills to interface with internal staff and clients.

Required Qualifications:

- 6+ years of increasing experience in the industry;
- Expertise in one or more of the following areas: transportation planning, traffic operations, signal systems/ITS, roadway design
- Ability to manage tasks/projects, work within a team environment, and interact with clients;
- PE or AICP;
- Ability and interest in developing internal staff.

Desired Personality Characteristics:

- Entrepreneurial and consulting spirit;
- Passion for the transportation industry;
- Teaching and mentoring ability;
- Outward focus with a high level of customer service and collaboration;
- Strong interpersonal skills;

Apply:

The professionals who define Kittelison's reputation and quality of work came to the company one by one, each bringing the commitment, initiative, inquisitiveness, and willingness to take risks that has led to our collective success.

If you have a passion for what you do and want to work with a great team that is making a difference in transportation today, we want to hear from you!

Interested candidates should email hrtephx@kittelison.com to express interest and please reference **Phoenix Engineer/Planner** as part of your submittal.
