

Land Planner 5-15 Years Experience

Company Overview:

www.norris-design.com.

Overview of Job Description:

Norris Design is growing. We are searching for a full-time land planner with 5-15 years of experience with entitlements, land development, and physical planning to add to our talented team in Phoenix, AZ. The ideal candidate should have 5-15 years of experience (internships included) in a professional office. The candidate shall have experience in leading internal teams and consultant teams, preparing schedules, and managing the approval process for residential, commercial, retail and mixed use projects. The candidate shall have an understanding and general knowledge of zoning regulations and approval processes. The candidate shall have professional writing skills to effectively communicate the goals and objectives of projects. Working knowledge of Microsoft Project, Excel and ACAD is desirable. The candidate must have excellent hand graphic and design skills, physical planning experience including lotting, and be proficient with AutoCAD, Microsoft and Adobe Suite. The candidate shall be enthusiastic, creative, and have the ability to think pro-actively and strategically. Salary and benefits are commensurate with position and qualifications.

Qualifications:

Bachelor's Degree in Planning, Landscape Architecture or other related field from an accredited program with 5-15 years of work-related experience with entitlements and land development. Experience in Southern Arizona is preferred.

How to Apply

If interested, please send a cover letter, resume, 3 professional references and a portfolio in PDF format (10 page maximum) to jobinfo@norris-design.com. Please include your name, position you are applying for and years of experience in the subject line of the email. Please send inquiries no later than September 11, 2016. No phone calls please.
