

# RECRUITMENT

## Local Government Consultant

RURAL COMMUNITY CONSULTANTS, LLC

Full-Time • Salary Negotiable • Open Until Filled

### WHO WE ARE

Rural Community Consultants, LLC is a fast-growing consultancy that is dedicated to providing strategic, financial, and land-use planning support to local governments - and we love our work! Our goal is to become the most sought-after resource for rural community development in the Intermountain West because of our thought leadership and project outcomes. We are a wholly owned subsidiary of Jones & DeMille Engineering. Our home office is located in Springville, Utah.

### OUR NEED

We are looking for someone to work in Springville and help us produce innovative plans, reports, and studies that will help rural local governments move forward. Experience with community development is required.

Essential skills include technical writing, issue research and information synthesis, print design, policy development, and marketing of deliverables. Some travel is expected. Preference will be given to candidates with a Bachelor's Degree and two years of relevant experience, or equivalent work experience.

### APPLICATION PROCESS

Interested candidates need to submit their letter of interest and resume as a packaged Adobe InDesign file (.indd); total submission should be max five pages. The letter of interest needs to include the following:

- 1 Select one post from our Tumblr account, and create an infographic that summarizes its central issue. (<http://rural-community.com/rural-issues.html>)
- 2 Identify a different post from our Tumblr account and write a brief description of your approach to helping the affected community.
- 3 Write a brief description of the best team you've worked on. What made it the best, and what was your role in it?
- 4 If you had a preferred "rural nickname", what would it be?
- 5 Create a simple graphic that illustrates what your worst road trip was like.

Please submit application packages to [shannon@rural-community.com](mailto:shannon@rural-community.com). We intend to begin conducting interviews after July 26th. This position will be opened until filled.
