

Pew & Lake, PLC, a law firm specializing in land use and zoning entitlements is looking for a planner who has knowledge of and experience with land use entitlement processes in Arizona, as well as the following qualifications:

- Minimum 1-3 years professional planning experience, ideally working with local government.
- Degree in planning, environmental studies, or a related discipline.
- Demonstrated ability to manage multiple projects (including client communication), meet deadlines, and work effectively with others.
- Excellent writing/editing, research and analysis (qualitative and quantitative), communication, critical thinking, and presentation skills.
- Detail-oriented with excellent time-management skills.

To apply, please email your cover letter, résumé, and salary requirements to [sean.lake@pewandlake.com](mailto:sean.lake@pewandlake.com) no later than July 31, 2017.
