Swaback Partners

Scottsdale, AZ

Landscape Architect

Job description

We are seeking a motivated individual(s) to develop professionally within our Landscape Architecture/Planning Studio. The position will assist with all phases of public and private sector projects from field review through design development, construction plans, and post-design services. This position offers a broad range of responsibility and opportunities for professional growth.

Requirements:

- Bachelor's Degree in Landscape Architecture from an accredited program;
- 1-3 years with landscape design and planning experience;
- Proficiency in AutoCAD, Sketch Up, and Adobe Suite;
- High-end Graphic skills, both computer and hand drawn;
- Excellent communication and organizational skills;
- Enjoy a fast-paced environment

Swaback offers competitive salaries and an expansive benefits package including Medical, Dental, Disability, Life and Vision Insurance as well as a 401k plan, and an employee friendly workplace. Swaback is an Equal Opportunity Employer.

About Swaback Partners, pllc
