

The Town of Oro Valley, AZ (pop. 43,000) is seeking a collaborative, innovative community development professional with extensive economic development experience to lead the newly formed Community and Economic Development Department consisting of the planning, permitting/plan review, building safety and economic development functions for the Town. Located in the northwest metro area of Tucson, Oro Valley is a full service local government operating under a Council/Manager form of government. This position joins a dynamic Town Manager and leadership team focused on providing exceptional services both internally and externally. Recognized as one of the Top 10 Safest Suburbs in America among other state and national designations, Oro Valley boasts an outstanding quality of life with nationally recognized schools, quality amenities and beautiful year-round weather. The ideal candidate is a productive, hands-on and forward-thinking individual who is an exceptional communicator and has a demonstrated record of establishing effective working relationships with employees, senior management, citizens, business community, elected officials and other stakeholders. Pay range \$95,440-\$143,160 with starting salary depending upon qualifications and an excellent benefits package. Position is open until filled with first review of applications on May 4, 2018. For job brochure and application process go to <https://www.governmentjobs.com/careers/orovalley>. Equal Opportunity Employer.
